### DIVISION 3 AND 3-A – FLOWER SHOWS

Rules for both Adults and Junior Shows

1. Please read and follow all the general rules and regulations.
2. Only exhibits which conform to schedule will be judged.
3. Placement of exhibits must be checked by a member of the Committee to ensure proper placement.
4. Entries will be judged according to Flower Show rules rather than to competitive judging standards.

Commercial growers and florists are excluded from entry both in the Junior and Adult Shows.

Protective measures will be provided for all exhibits, but the Middlesex County Fair Association, Inc., its Officers or Agents will not be responsible for damage, breakage or theft. In the interest of safety, please use discretion on the size and weight of exhibit items. Please DO NOT use patio sized (weight) pots.

Special Award:

One Rosette for Most Outstanding Exhibit in this entire Division

View general rules and regulations

Adults 18 years and over

### HORTICULTURE RULES

1. Flowers and plants must be grown by exhibitor. Potted plants must have been in the possession of the exhibitor at least three months.
2. All entries should be in CLEAR GLASS CONTAINERS that are large enough to support exhibit without props (soda bottle, Mason jar).
3. Entries must have a true set of leaves—no additional branches, foliage, or props should be used.
4. Length of stems should be relative to the size of bloom.
5. Leaves under water and/or damaged leaves should be removed.
6. Cards provided by the Fair must be attached to each exhibit.
7. Label entry with PROPER NAME (common name and horticulture name).
8. Grooming: Clean containers; remove dead leaves and flowers; do not use flowers

past prime; check for insects.

9. No insect infestation or entry will be removed from display area.
